Hi Mike,

My name is Gerson Robboy, and I wanted to reach out and see if you'd be interested in hosting Portland for Everyone to come and present to the Overlook Neighborhood Association.

You're probably aware of the heat and controversy surrounding the Residential Infill Project – and we have some perspectives on the project that we think members will be interested to hear.

We are also involved in broader work and advocacy around housing supply & affordability, so if attendees have questions on other projects or aspects of housing policy in Portland right now we can do our best to answer them.

We have a presentation that typically takes about 20 minutes, so 30 would be ideal including questions. However, we are happy to work with whatever time constraints you might have!

Please reply by email if you would like to schedule a presentation at your neighborhood meeting.

Cheers, and I look forward to meeting you in person soon!

Gerson Robboy
