Madrona Park	Yes	Yes	No	Yes	Yes	Yes	Yes	The destruction of our neighborhood public park continues. When will you restore it to safe usage by all instead of a drug haven. I can't even let my kids down there for all the trash and needles.
Madrona Park	Yes	Yes	No	Yes	Yes	Yes	Yes	The camps keep growing in Madrona Park. There are so many and so spread out in our PUBLIC PARK that it takes two reports now.

Madrona Park	Yes	Yes	No	Yes	Yes	Yes	Yes	So brazen drug deals are allowed in our neighborhood park now? They don't even try to hide it. Please return our park to place that kids can play.

Madrona Park	Yes	Yes	No	Yes	Yes	Yes	Yes	Open campfires in a city park along the bluff. I can't wait until they burn the whole neighborhood down. Then there are the aggressive yelling at kids trying to play and massive environmental damage being caused. Please restore our neighborhood park.

Madrona Park	Yes	Yes	No	Yes	Yes	Yes	Yes	Not sure why they had the massive tarp out trying to kill all the undergrowth. Great parks maintenance there, Portland.
Madrona Park	No	No	No	No	No	No	No	large tents on grass west side of Park 50 feet off of Greeley NW Side of park (reported by Parks employee)
Madrona Park	Yes	Yes	No	Yes	Yes	Yes	Yes	Look what my kids found. Thanks for letting this problem fester. Last week they found drug paraphernalia. This week they found a used condom sitting there in the grassy area of the park where they used to be able to play safely. And now there's even a tent up on top out of the woods. I supposed homeless campers can be brazen about ruining a public park when you don't do anything about it.

Madrona Park	Yes	Yes	No	Yes	Yes	Yes	Yes	Hooray! More needles and trash while you twiddle your thumbs. Can't wait until my kid gets stabbed by a needle while playing in a PUBLIC PARK. Or maybe we should all just abide while our neighborhood park goes to hell and our homes are broken into.

N Going Street	Yes	Yes	No	Yes	Yes	Yes	Yes	Nothing like having drugged up campers screaming obscenities at you as you walk or bike by. Just waiting for a stabbing or a rape. Come on, Portland.

N Going Street	Yes	Yes	Yes	Yes	Yes	Yes	Yes	The N.Going bikeway between Interstate and Greeley is turning into an absolute disaster. Vagrant campers have totally trashed the north side of Going street along the sidewalk. They have open fires, sometimes block the sidewalks with their garbage and run across six lanes of busy island traffic going back and forth between their camps. They are doing tons of environmental damage as well destroying vegetation. This mess needs to get cleaned asap. A vagrant is going to get run over by a car or truck or a cyclist is going to get hurt when they run into their campers garbage on the sidewalk.
N Going Street	Yes	Yes	No	Yes	Yes	Yes	Yes	There are numerous camps along Going. Most are on the North side of the street, but there are multiple camps that are cut into and halfway up the hillside on the south side. I can't take pictures because they've gotten aggressive when I tried in the past They often have open fires and I've seen huge propane tanks as well.
N Going Street	Yes	Yes	Yes	Yes	Yes	Yes	Yes	One of the campers staggered out into the road the other day and almost got hit. Great idea letting them stay there, Portland.
N Going Street	Yes	Yes	No	Yes	Yes	Yes	Yes	More keep setting up. Can't wait for everything to dry out. Which house will the city let burn down first?
N Going Street	No	Yes	No	Yes	Yes	Yes	Yes	What the hell did you think would happen when you installed a portapotty there?

N Going Street	Yes	Yes	No	Yes	Yes	Yes	Yes	Once again vagrant campers are destroying the vegetation and camping on the north side of N.Going. Several campsites have sprung up between Interstate and Greeley. Large open fires burn, lots of trash, propane tanks, and STOLEN shopping carts. The vagrants frequently are blocking the sidewalk with their carts and garbage. A cyclist will get hurt riding down to swan island.
