

Notification of Filming in Your Neighborhood

About the Filming

- This fun family motion picture is based on a series of children’s books called “Timmy Failure.”
- Over 80% of our crew is based right here in Portland and depend on the film industry to support their families.
- Permits for our work in your neighborhood have been approved by The City of Portland and include all filming, parking, and traffic activity, as well as a variance for noise and activity outside of typical business hours.
- We are excited to be filming in your neighborhood and appreciate your cooperation in helping Portlanders with this special project!

Schedule

- We will be working in your neighborhood for about 3 days. Here’s our planned schedule:

Dates	Days	Times	Key Activities
8/23	Thursday	7:00am – 6:00pm	Prep: Workers will load in film equipment & set up
8/24	Friday	6:00am – 6:00pm	Filming: Crew and all equipment onsite; lots of people, activities, noise and vehicles.
8/25	Saturday	7:00am – 6:00pm	Strike: Workers will load out film equipment

What to expect

- Your homes and businesses will be accessible at all times, although there may be a few minutes of delay.
- **The biggest disruption to your regular routine will be restricted street parking and limited access to some streets.**
 - **The chart on the back of this page describes in detail all streets that are affected and what to expect.**
 - **Our crew will post ‘no parking’ signs & ‘local access only’ barricades on all affected streets.**
 - **Flaggers will be present at key intersections to hold traffic as needed.**
- Heavier than usual truck and passenger van traffic, as well as some disruptions to the regular flow of traffic.
- Lots of crew and workers, equipment and activity.
- Security & Safety staff to ensure your safety and ours during the period of filming activity.
- We have a location manager onsite at all times, so if you have any concerns with our filming activity, please reach out to one of our contacts below to help resolve any issues (see bottom of this page).
- Flaggers will be onsite to assist with the safety of the production

If you are curious about this motion picture or Portland’s film industry

- Please feel free to briefly observe our activity from a distance, **at least ½ block away.**
- If crowds assemble or onlookers get too close and in the way of the cameras, our friendly staff will let you know.
- We appreciate your support, but as you will see, we are working at a very fast pace and for long shifts while we are in your neighborhood; you are welcome to watch but please be respectful and do not disrupt our work.
- Remember that we are filming, so anything you see may or may not make it to the screen. Be mindful of your social media posts so they do not reveal too much of our storyline ☺ Please help us keep the suspense alive!

Every effort will be made to minimize disruptions; however filming work will invariably result in some inconvenience. If you have questions or concerns, please call us as soon as you can to discuss solutions. We apologize for any disruptions and thank you for your cooperation.

***If you have any questions after speaking with us please feel free to call the
