

Overlook Neighborhood Association  
Board Meeting Minutes  
September 2, 2008

attendees: Eric Gale, Alan Cranna, Brad Halverson, Matt Scoggins, David Chott, Warren Cassell, and George Spaulding

- Discussed August picnic at Pause. 180 people attended. Positive feedback. Did well at greating table. Collected about 25 new email addresses. Eric followed up with an email and the yahoo invitation.
- Diversity: Diversity Chat on the 8th. Will send out email reminder to email list.
- Safety: New North Precinct commander interested in coming to neighborhood association meetings in the future. Will work with Havilah to set up.
- Oct. general meeting. Since it's being held at Beach, focus on education. Need to find speakers and topics (Beach PTA, Martin Gonzalez,...)
- Chairs meeting 9/8. Focus on OLCC 6:30-7:30.
- Land Use: Contact Prescott developers regarding deconstruction (especially chippers, dust, and potentially lead). On design reviews, discussed making sure efforts are made to make sure affected people know. On letters of support, they do not have to be necessarily yes or no but can just list things that are important and things of general concern. Neighbors and people immediately impacted can focus more on the details.
- Need to recruit for Grievance Committee members as well as regular board positions.
- Idea: have comment fliers available at meetings and the website.
