

## Notification of Filming in Your Neighborhood

### About the Filming

- Over 80% of our crew are Portland locals and depend on the film industry to support their families.
- Permits for our work in your neighborhood have been approved by The City of Portland and include all filming, parking, and traffic activity, as well as a variance for noise and activity outside of typical business hours.
- We are excited to be filming in your neighborhood and appreciate your cooperation in helping Portlanders with this special project!

### Schedule

- Here's our planned schedule for working in your neighborhood:

<b>Dates</b>	<b>Days</b>	<b>Times</b>	<b>Key Activities</b>
6/14	Monday	5:00am - 9:30am	<b>Prep:</b> Crew arrives and set up equipment
6/14	Monday	9:30am - 3:30pm	<b>Filming:</b> Crew and all equipment onsite; lots of people, activities, noise and vehicles.
6/14	Monday	3:30pm - 5:30pm	<b>Wrap:</b> Crew remove equipment, roads open, parking opens

### What to expect

- Your homes will be accessible at all times, although there may be a few minutes of delay.
- **The biggest disruption to your regular routine will be restricted street parking and limited access to some streets.**
  - **The chart on the back of this page describes in detail all streets that are affected and what to expect.**
  - **Our crew will post 'no parking' signs on all affected streets.**
  - **Flaggers will be present at key intersections to hold traffic as needed.**
- Heavier than usual truck and passenger van traffic, as well as some disruptions to the regular flow of traffic.
- Security & Safety staff to ensure your safety and ours during the period of filming activity.
- We have a location manager onsite at all times, if you have any concerns with our filming activity, please reach out to one of our contacts below to help resolve any issues.

### If you are curious about this motion picture or Portland's film industry

- Please feel free to briefly observe our activity from a distance, **at least 1/2 block away.**
- If onlookers get too close and in the way of the cameras, our friendly staff will let you know.
- We appreciate your support and will be working at a very fast pace and for long shifts while we are in your neighborhood; you are welcome to watch but please be respectful and do not disrupt our work.
- Remember that we are filming, so anything you see may or may not make it to the screen. Be mindful of your social media posts so they do not reveal too much of our storyline ☺ Please help us keep the suspense alive!

**Every effort will be made to minimize disruptions; however filming work will invariably result in some inconvenience. If you have questions or concerns, please call us as soon as you can to discuss solutions. We apologize for any disruptions and thank you for your cooperation.**
