

OVERLOOK VIEWS

A PUBLICATION OF THE OVERLOOK NEIGHBORHOOD ASSOCIATION, PORTLAND OREGON

Movie in the Park at Overlook Park

By: John Carter

We are thrilled to announce the return of our free annual Movie in the Park event, taking place in Overlook Park. It has been a long time (to say the least!), but we are ready to reconnect with our neighbors and community while providing a fun, family-friendly container for which to do so.

Come with your blankets and chairs, and enjoy the screening of "West Side Story," 2021 critically acclaimed modern adaptation of an old classic. Directed by Steven Spielberg, the film is an absolute musical delight. The film will begin at 7:30 pm, so come early to get your ideal viewing spot!

Local favorite Joe's Caramel Corn will be onsite distributing free popcorn!

We encourage everyone to utilize public transportation or bike to travel to the movie. The Max yellow line will get you there easily, with Rose Quarter TC for connections. There is a Biketown station along with accessible bike parking nearby. If you drive, please be courteous to your neighbors and park legally. There will also be additional parking available courtesy of Kaiser Permanente directly across the street in the top lot at the Interstate West Building. This is being provided as an amenity for those with mobility challenges.

The Portland Parks and Recreation Free For All summer programming is a wonderful way to celebrate our public spaces and support local artists and performers. We look forward to seeing everyone at the park!

Join us for West Side Story At Overlook Park

What:

West Side Story (2021, rated PG-13, 2 hours 36 minutes)

When:

Thursday, September 1, 2022, about 7:30 pm. (Dusk)

Where:

Overlook Park (N. Interstate Ave and N. Fremont St) FREE popcorn will be available as well as other food options!

Summer Letter from the OKNA Chair

By: Stacey Nuissl

Hello, Overlook Neighbors, and Happy Summer! In this issue of the Views, you will find info about this summer’s Movie in the Park to take place on Thursday, September 1. This year’s feature film will be West Side Story.

Unfortunately, we once again found it necessary to cancel our summer social gathering. We will continue the OKNA tradition of having a social in August in place of our August general meeting. Follow us on Facebook/Instagram (@oknainpdx) or sign-up for our E-mail Bulletin for updates.

The social is a great time to meet current board members and learn about OKNA. Maybe you would like to run for a position on the 2022/2023 board in our election in September?

Also happening in September, representatives from Kaiser Permanente will be giving us an overview of the expansion of their cancer treatment center at their N Interstate campus. Kaiser Permanente will also discuss donating their property at 3715 N Interstate to the city housing bureau, which will develop affordable housing on the site. Please join us at this meeting on Tuesday, September 6.

And lastly, please join me in welcoming our new Houslelessness Liaison, Ana Helena Decastro and our Sustainability Committee Chair, Josh Cabot.

Contact Stacey - Chair
chair@overlookneighborhood.org

Scan to join the
Overlook Neighborhood
Association E-Mail
Bulletin.

Volunteers Needed! Join OKNA.

No matter your skill or the amount of time you volunteer, we have opportunities to fit your talent, interests, and availability. OKNA is a 100% volunteer-run 501(c)3 organization; for more information, reach us at info@overlookneighborhood.org.

General and Board Meetings Become one.

The OKNA meetings are always open to the public and all are welcome to join. Please note we have combined our monthly general and board meetings. Both meetings will take place on the First Tuesday of each month from 6:30 p.m. to 8:30 p.m. We hope you will join us!

Overlook Porchfest

By: John Carter

We are excited to announce that Overlook Neighborhood Association will organize the first of hopefully many, Overlook Porchfest!

This year’s event being held on Saturday, September 10th!

What is a “Porchfest,” you ask? It will be a one-day music festival in the neighborhood where participating neighbors offer their porches as a stage for bands/musicians to perform! It will be a free event for the community and open to all ages.

Leading up to the festival, we will create a distribution map that lists all the porches and music scheduled for the day. We hope to make this a new tradition for our neighborhood! We need your help - if you want to offer the porch to your home as a stage or you are a musician/band that would be interested in performing, please email us at parks@overlookneighborhood.org. We are looking for artists of all kinds and genres - please send us any music samples you’d like us to consider.

If you would like to have your porch placed on the map, please confirm by August 15th

Have Fred Meyer or Amazon donate to OKNA

By: Brad Halverson

Thank you to everyone who added OKNA to Fred Meyer and Amazon Smile Community Rewards as your designated non-profit organization! OKNA receives a contribution each quarter from the program which helps to pay for producing the Overlook Views and other expenses.

If you shop at Fred Meyer and participate in their Rewards program, you might have noticed that there is a Community Rewards option too. Fred Meyer donates a total of \$500,000 each quarter to the non-profit organizations that have registered with their program. The money is divided up based on eligible purchases by individuals with accounts that have selected one of these non-profits.

Fred Meyer Rewards:

- Go to fredmeyer.com
- Click on your name (upper right)
- Click on My Account
- Sign in
- Scroll down to Community Rewards on the far left
- Enter RR853 or Overlook Neighborhood Association
- Click on Enroll

You can also use the Fred Meyer app – click on the triple line in the upper right then Rewards then Community Rewards.

If you have an Amazon online account, Amazon will donate 0.5% of the cost of your eligible purchases to non-profit organizations registered with the Amazon Smile program.

Amazon Smiles:

- Go to smile.amazon.com
- then AmazonSmile or AmazonSmile Charity Lists.
- To help OKNA, enter <https://smile.amazon.com/ch/93-1121342> then click on Accept.
- That's it!

If you shop with either company, we hope you take advantage by choosing the Overlook Neighborhood Association to receive your donations. Thanks!

OKNA Needs You to get on (the) Board

By: Brad Halverson

Every September, the Overlook Neighborhood Association (OKNA) elects at least six new members to join the board. Another six should be staying on to finish their two-year terms. Occasionally, board members resign before their term ends, and additional positions may be open.

Who can be on the board? If you live, have a business, own property, or are a designated representative of a non-profit organization within the OKNA boundaries (Fremont Bridge, Willamette River, North Ainsworth St, and Interstate 5), you can be a member of OKNA and therefore are eligible to be on the board.

What do board members do? They run the organization, gather and share information, take positions – usually with strong neighborhood support – on various topics, lead events, etc. The Chair and Vice-Chair coordinate the meetings, which currently occur on the first Tuesday evening of each month. The Secretary records the minutes of the meetings, and the Treasurer tracks the finances. We also have committees where board members usually lead and report the activities to the board. Those committees have a specific focus such as transportation, public safety, land use, communications, homelessness, membership, Parks and Open spaces, schools, and the one required one, a grievance committee. After the September election, the new board decides who will take on each role. If you are interested in reviewing the details of the roles of board members, email chair@overlookneighborhood.org so we can connect with you.

What have we done? Despite the pandemic keeping OKNA from meeting in person, we have met online. The pandemic has severely limited our in-person activities, which are at the heart of what we do.

We are looking forward to hosting annual holiday and summer parties, sponsoring the annual movies in the park around Labor Day, organizing neighborhood cleanups, and having developers present their projects before breaking ground to inform the neighbors and identify issues that hopefully can be resolved to make it better for all, working with Portland Parks and Recreation and the Bureau of Transportation on various projects, sending neighborhood email updates, and publishing a quarterly newsletter. That is a lot, but it all depends on what the board and the neighbors want to do. Many opportunities are waiting for you!

Want to run for a board position? E-mail chair@overlookneighborhood.org stating your interest at least ten (10) days before the September 6th meeting when the elections will take place. Therefore, nominations are due by Saturday, August 27th. Nominees will be published on the OKNA website seven (7) days before the election and sent out via our email bulletin. We hope that you will be able to step up and help OKNA make the neighborhood a better place.

August 27
*OKNA Board Candidate
Submission deadline.*

Visit King and Kenton Farmers Markets

By: Stephanie Celin

Back for its 13th season at NE 7th Avenue and Wygant Street, King Farmers Market has a selection of local farmers, ranchers, fishers, cheese-makers, food artisans, nurseries, flower growers and hot food vendors each Sunday from 10 a.m to 2 p.m. through November 20th.

Forty-eight different vendors will be at the market throughout the season.

Kenton Farmers Market is celebrating 12 seasons in the heart of the historic Kenton neighborhood in North Portland at N McClellan Street and Denver Avenue. It will have a selection of around 18 total local farms, flower growers, and food producers every Wednesday from 3 - 7 p.m. through September 28th.

We are excited to welcome several new vendors making their debut throughout the season at both farmer's markets. They offer sustainably grown heirloom fruits and; vegetables, medicinal hemp products, small-batch granola, vegan cookies, plant-based ice cream sandwiches, fermented foods, and more.

Interested in seeing the vendors will be at upcoming markets? Visit the King Farmers Market and the Kenton Farmers Market pages on the Portland Farmers Market website to find a market map of all the vendors by date.

Come for the food and stay for the fun!

There are kids' activities and live music happening on both markets.

King and Kenton Farmers Market accept SNAP, WIC checks (not WIC cards), Senior Farm Direct vouchers, Veggie Prescriptions, and Sisters of the Road Fresh Change. SNAP shoppers can receive Double Up Food Bucks, up to \$20 per day! Please visit the Information Booth at the markets for more information.

To learn more about the King Farmers Market, Kenton Farmers Market, and the three other markets in the Portland Farmers Market family, please visit their website or follow them on Instagram for more frequent updates!

See you at the markets!

Spring Cleanup Recap

By: Stacey Nuissl

We had a very successful Spring cleanup on Saturday, April 30, in partnership with Solve Oregon and Remove By Bike PDX. Thirty-five volunteers spread out all over the neighborhood to pick up litter and fill trash bags. Our partners from PDX Remove By Bike pedaled around, picking up full trash bags to transport to dumpsters, use of which was generously offered by Beach Elementary & The Ivy School.

Though the weather remained partly sunny, there were a few sprinkles and an unexpected brief hail storm. Many thanks to the volunteers, Blend for donating coffee, and Advice Booth for offering discounts for volunteers to mingle afterward.

An Autumn waste collection day is in the planning stages. Stay tuned for more details and dates for the next cleanup. If you're interested in keeping our neighborhood beautiful, helping to plan clean-up events & meeting your neighbors, the cleanup committee welcomes new members.

Please reach out if you're interested in signing up, chair@overlookneighborhood.org.

North Portland In Motion

By: Mike Serritella

There's perhaps no better time of the year than the first weeks of summer to get outside and go for a walk or bike ride around your neighborhood.

One of my favorite streets to walk or ride on is the N Willamette Blvd neighborhood greenway along the bluffs – if you haven't explored it yet, now is the time to check it out!

Over the past year, my job as the lead planner on PBOT's North Portland in Motion project has been to engage with people who live, work, learn, and play throughout the Peninsula to understand the transportation issues and key priorities for near-term projects that the city can deliver.

Nic Cota, the transportation chair from the Overlook Neighborhood Association, is a part of our Community Advisory Group and has done a great job representing your neighborhood since the beginning of the project.

In the Overlook neighborhood, neighbors have expressed concerns about speeding vehicles and needing better crossings on busy streets like N Greeley and N Killingsworth. We've listened to a need for slower speeds and more traffic calming on popular walking and biking routes that connect schools and parks like N Ainsworth and N Delaware. We've also heard a desire for better parking management in the neighborhood, especially in areas with lots of new mixed-use development in the N Interstate Corridor.

We plan on having several public engagement opportunities this summer, including a Pedalpalooza bike ride on August 6th focused on the Kenton, Arbor Lodge, and Overlook neighborhoods. We're also planning on having an Online Open House later this summer to share initial project ideas and continue the conversation with neighbors about what new projects and programs are most

important for North Portland. If you haven't already done so, please visit the project website – NorthPortlandInMotion.com, and join our mailing list to stay connected.

You can always reach out to me by emailing NOPIM@portlandoregon.gov. I'm happy to exchange emails, hop on a phone call, or even join you on a neighborhood walk to learn more about the transportation needs you see in your community. Thanks!

Update from the OKNA Transportation Chair

By: Nic Cota

Ainsworth Letter

Last month, the Arbor Lodge and Overlook neighborhood associations came together to write a letter to the Portland Bureau of Transportation regarding Ainsworth. With increased speeding and reported street racing, we believe it's well overdue to prioritize safety improvements on N Ainsworth to curb this behavior and prioritize walking, biking, and rolling along this critical street for vulnerable road users.

Hazelnut Grove

I met with Hazelnut Grove residents to listen to their concerns about transportation and whatever else has impacted them at their weekly meeting open to the public. Residents communicated that folks using the Greeley Avenue bike path are of the utmost importance and that any folks impeding that access more than temporarily are not affiliated with Hazelnut Grove. If there are still any access concerns, please contact me or report directly to the City at 503-823-SAFE.

North Portland in Motion

The City of Portland is currently planning near-term investments to improve biking, walking, and transit use in the North Portland area. This effort is called 'North Portland in Motion' by the Portland Bureau of Transportation (PBOT). As a community advisory group member, it's my responsibility to convey any desires or concerns from Overlook, so reach out to me or Mike Serritella at PBOT (Page 5). Also, check out Mike's article in this copy of the Overlook Views for more information about the plan.

Parking

We are amidst a lot of growth in Overlook, and many more housing units near the Interstate Corridor are still to come. Many of these new developments do not and will not include onsite parking, as allowed by Portland's zoning code. With the potential increase in vehicles needing to be parked on the street, Overlook may soon be looking at a form of parking benefit district in some areas. What this looks like, costs and benefits residents receive will be up to us. If you are interested or want to stay up to date, please reach out to me.

Lastly, a reminder that I lead a monthly bike ride starting at the Stacks Coffeehouse for Overlook residents. It begins at 10 am on the second Sunday of each month (August 14th, September 11th, October 9th) and is for people interested in learning how to get around Overlook by bike.

Thanks for reading, and always feel free to reach out if you have any transportation-related issues, concerns, or suggestions! Happy biking, rolling, walking, riding!

Contact Nic - Transportation Committee Chair

Ongoing Stewardship at the Nature Patch

By: Stacey Nuissl

Our neighborhood is fortunate to have a Nature Patch at the Northern edge of Overlook Park. It truly is a gem of an example of numerous native species. It continues to shine thanks to the continued assistance from volunteers and the regular attention from Portland Parks & Recreation employees, Eric Rosewall, landscape gardener, and Jonathan Fain, horticulturist. As the Nature Patch matures & fills in from conception, which will continue over several more years, Eric and Jonathan will continue to coordinate with OKNA's Parks Chair, John Carter, to plan the work days and put the call out for volunteers.

On May 19, there was a wedding "party," and on July 14, there was spreading of bark chips and pulling of more weeds. Jonathan

displayed a collection of common weeds for us to identify. So no need to be an expert gardener; Portland Parks & Recreation provide all the tools and knowledge necessary for any volunteer that is eager to work.

The next work day is August 11. To stay informed about future volunteer opportunities and other events happening at Overlook Park, visit www.portland.gov/parks/overlook-park or follow the Overlook Neighborhood Association's Facebook and Instagram accounts.
